SNAPSHOT OF BUSINESS DEVELOPMENT ACTIVITIES

[Weekly BD Report 05.05.2026 to 11.05.2026]

A. JVs and Subsidiaries

HURL:

IPO & Expansion plan:

- ✓ NTPC is making efforts to evolve consensus amongst Promoters to bring IPO of HURL and use the proceeds from IPO to fund the capacity expansion of HURL. As recorded in HURL Board meeting held on 02.03.2026, NTPC and CIL provided consent for IPO while IOCL and FCIL/HFCL did not provide consent for IPO and only NTPC provided consent for expansion.

Share Allotment:

- ✓ FCIL & HFCL have not infused the requisite Rs 128.54 Cr for restoring their shareholding to 10.99 % in contravention to the guidance provided in the Secretary (Fertilizer) chaired IMC meeting dtd 24.09.2025, even after receiving Rs. 130 cr dividend from HURL, citing *non-availability of clearance from Competent Authority*.
- ✓ Basis NTPC request, MoP vide letter dated 25.02.2026 has taken up with Department of Fertilizers regarding equity infusion by FCIL & HFCL. In the review meeting on 15.04.2026, MoP has informed that they will follow up with DoF and has asked NTPC to request other promoters also to take up the matter through their respective Ministries.
- ✓ JS (Thermal) held a meeting of all promoters (NTPC, IOC, CIL, FCIL & HFCL) and their respective ministries on 28.04.2026 to discuss NTPC's issues. Deptt of Fertilizer informed that they have sought clarification from Cabinet Secretariate regarding jurisdiction of IMC in the matter. MoP informed DoF representatives, who were representing HFCL and IFCL, that the equity infusion has to be done and that if required issue will be discussed with Cabinet Secretary.
- ✓ On the issue of IPO & Expansion, MoP has expressed its opinion that in view of the West Asia crisis, Fertilizer sector has assumed critical importance, and hence, HURL should go ahead with its IPO and expansion. While NTPC has again indicated its consent on both, CIL conveyed its consent on IPO but informed that for expansion, only IPO proceeds should be used as their equity is tied up elsewhere. IOCL informed that they are not in favour of IPO or expansion and instead expressed their interest in acquiring additional stakes in HURL to get management control and improve operational efficiency of HURL. MoP advised that in view of the clearance for disinvestment from respective ministries of all three lead Promoters, the matter should be again discussed in the Board of HURL and activities for HURL IPO may be started parallelly.

UPL:

- ✓ DIPAM vide OM dtd 28.08.2025 has conveyed in-principle approval of AM for disinvestment of NTPC's stake in UPL. Vide mail dtd 06.04.2026, DIPAM has sought status update on the same. CP has submitted the reply on 17.04.2026 basis the inputs from BD.
- ✓ UPL had published EOI in Apr'25 for disinvestment of 74% stake (Reliance 50% and NTPC 24%) but no offers were received. UPL through its Transaction Advisor (M/s Capital Fortunes) is presently pursuing with one interested party through bilateral discussions. A non-binding offer from the said party was placed before the UPL Board and found commercially unviable; UPL, vide letter dated 29.04.2026, has asked the party to sign NDA and commence due diligence, expected to be completed within 4 weeks of NDA execution.
- ✓ UPL / Transaction Advisor has been verbally informed about NTPC's interest to disinvest 100% stake in the JV.

NGEL:

- ✓ The status for Asset Valuation is as follows:
 - **Solar projects of 20 MW or more (except Nokh): Due Diligence is in progress.**

SNAPSHOT OF BUSINESS DEVELOPMENT ACTIVITIES

[Weekly BD Report 05.05.2026 to 11.05.2026]

BFNESL:

- ✓ Winding up of BFNESL was approved by NTPC in 2017 and by MoP in 2018, subject to conditions of appointment of an Independent Liquidator, Compliances with applicable regulations and Protection of Government of India's interest.
- ✓ Liquidator appointed in 2018, valuation done by independent valuers in 2019 and 2020. Due to high circle rate, liquidation not yet completed. Several meetings held with Liquidator and BFNESL committee members from BF and NTPC.
- ✓ During the contributories Meeting with liquidator held on 17.04.2026, wherein it was discussed to approach Collector for intimation of e-Auction and to carry out revaluation of BFNESL land.
- ✓ **Draft letter to be sent to Collector has been shared by Liquidator on 07.05.2026 and is under review by committee members.**

JPL:

Stake Sale by SFCs:

- ✓ Secured Financial Creditors (SFCs) have conveyed their intention to sell their stake in JPL and agreed to issue a formal offer to NTPC. SFCs have engaged M/s BDO Valuation Advisory for sell-side valuation. It is learnt that Valuation exercise has been completed, and PFC will now proceed to take the views of other SFCs in the matter.
- ✓ NTPC has taken up valuation of JPL through PwC. The Valuation Model submitted by PwC was reviewed and detailed observations were shared. **PwC to submit finalised model by 11.05.2026.**

Money Laundering Case against Avantha Group by ED:

- ✓ ED has filed a Prevention of Corruption Case (PC) against Avantha Group and JPL is one of the accused. Next hearing in Trial Court is on 25.05.2026. JPL has filed petition against the trial court notice in Delhi High Court, and the matter is listed for hearing on 13.05.2026.

Arbitration with BHEL:

- ✓ **Arbitral Tribunal has completed hearing main arguments of BHEL and JPL on the matter. Rejoinder arguments of BHEL are to be heard from 23.07.2026 onwards and subsequently JPL's arguments shall be heard.**

NGSL:

- ✓ NGSL is considering total dilution up to 26% (13% by each Promoter) in the JV -- NGSL, through its Transaction Advisor (TA), M/s E&Y, is in the process of identifying potential Investors. NGSL has been asked to provide indicative timelines for the process.
- ✓ NGSL vide mail dtd 10.04.2026, has sought guidance and necessary approvals from the Promoters on (i) aligning the AoA/MoA with its expanded business scope, and (ii) finalizing and ratifying the proposed amendments to the Business Co-operation Agreement (BCA) with GEPIL, in view of certain unresolved issues.
- ✓ It is observed that the issues flagged by NGSL regarding AoA/MoA amendment are adequately addressed in the SJVA proposed to be signed between NTPC and GE. The draft of the SJVA was agreed in Mar 2025 but SJVA could not be signed as BCA amendments are not yet agreed. **BCA amendment issue has to be resolved between NGSL and GE.**

NESCL:

- ✓ NTPC Board approval to grant in-principle consent to NESCL for setting up a Transmission System at Great Nicobar Island (GNI) was approved on 26.09.2025.
- ✓ The application was filed with JERC on 31.12.2025 and is currently under examination by JERC.

SNAPSHOT OF BUSINESS DEVELOPMENT ACTIVITIES

[Weekly BD Report 05.05.2026 to 11.05.2026]

- ✓ Hearing before JERC was done on 24.02.2026. During hearing, JERC desired that NESCL should submit a letter from NTPC Ltd stating that it has nominated NESCL for undertaking the work of establishing Transmission system at GNI. A letter has been issued to NESCL on 03.03.2026 for submission at JERC. The letter has been sent to JERC on 12.03.2026.
- ✓ The recommendation from the Electricity Department of Andaman and Nicobar was received on 28.03.2026, which is one of the requirements prior to the grant of a licence by JERC.
Hearing held on 05.05.2026 and NESCL petition got admitted.

NHPTL:

- ✓ In the 92nd Governing Council meeting of CPRI dated 27.02.2024, CMD NTPC expressed whether the shareholding of NTPC, NHPC and DVC in NHPTL can be taken over by PGCIL and CPRI.
- ✓ A meeting of Promoter's representatives was held on 24.02.2025 for proceeding as per JVA terms. Accordingly, CPRI, with consent of Promoters, engaged M/s BDO Valuation Advisory on 22.09.2025 for fair price valuation of shares of NHPTL.
- ✓ Subsequent to meeting held with CPRI, DVC and BDO on 14.11.2025, sharing of draft Valuation summary report with Promoters on 06.01.2026 and regular follow-ups on detailed report, CPRI on 27.03.2026 shared Valuation report. Revised Draft valuation report received on 21.04.2026 and NTPC observations mailed to CPRI on 27.04.2026.

PVUNL:

- ✓ Letter received from PVUNL on 26.12.2025 regarding equity requirement of Rs.325 Cr for Coal Mine Development as Stage-I Forest Clearance is under advance stage. Rights issue offer of PVUNL awaited. PVUNL has informed you that the proposal shall be sent after approval from its Board.
- ✓ As informed by PVUNL, at present there is no Director from Govt. Of Jharkhand on PVUNL Board, thus the matter couldn't be put up in the last Board meeting held in March'26.
- ✓ Further, on follow-up done on 30.04.2026 with PVUNL, they have informed that appointment of Director from Govt. Of Jharkhand may be done in May'26.

NEWS:

- ✓ NTPC and MCD approved the purchase of MCD's 26% equity stake in NEWS by NTPC at face value (Rs.10/share) on 26.09.2025 and 16.02.2026, respectively.
- ✓ **NTPC, MCD and NEWS signed the Termination Agreement on 07.05.2026 for termination of the Joint Venture Agreement and exit of MCD from NEWS through transfer of MCD's 26% equity stake in NEWS to NTPC.**
- ✓ Follow-up on consultant report on transfer of Waste-to-Wealth assets from NVVN to NEWS, CEO, NVVN done on 30.04.2026. Consultant informed inputs provided by NVVN regarding Land documents and Arbitration matters related to Bhatinda plant are under study. **Meeting convened with consultant on 04.05.2026, wherein consultant was asked to expedite study related to Bhatinda project and accordingly finalize asset transfer report.**

NSPCL:

- ✓ **New 800 MW unit at Bhilai:** Indian Railways (IR) has conveyed in-principle consent to the proposal for JV with NSPCL for new 800 MW unit at Bhilai for captive use (agreed off-take 680 MW). NTPC has also given in-principal consent on 02.06.2025 to NSPCL. Consent for JV formation of NSPCL with IR and land approval awaited from SAIL.
- ✓ Subsequent to SAIL consent on 17.10.2025 for DPR preparation of the proposed unit, NSPCL awarded the assignment to NTPC Consultancy on 06.11.2025.

SNAPSHOT OF BUSINESS DEVELOPMENT ACTIVITIES

[Weekly BD Report 05.05.2026 to 11.05.2026]

- ✓ Promoters meet held on 26 December'25. Matters related to new unit of 1X800 MW at NSPCL Bhilai, NSPCL's IPO and fulfilment of RE requirement of SAIL by NGEL discussed. MoM issued on 12.01.2026.
- ✓ NSPCL has sent a letter to Railways on 16.02.2026 regarding signing of MoU b/w NSPCL and Railways for the proposed 1X800 MW unit.
- ✓ Final DPR shared with NSPCL by NTPC consultancy on 05.03.2026, to be put up for NSPCL Board approval in upcoming Board meeting.
Construction of ETP:
- ✓ NSPCL vide email dated 02.04.2026 has informed SAIL proposal for setting up Effluent Treatment Plant (ETP) and utilising water requirement for proposed 800 MW Project. NTPC reply to NSPCL proposal sent on 21.04.2026.
- ✓ As informed by NSPCL on 01.05.2026, NSPCL has taken up the matter with SAIL. Reply from SAIL awaited.
- ✓ **NSPCL vide email dated 05.05.2026 has informed that NSPCL Board in its meeting held on 29.04.2026 has accorded in principle approval for development of 10 MW Floating Solar Expansion Project at Maroda Reservoir-I, Bhilai along with approval of DPR and draft FAR.**
- ✓ **It is further informed that the 10 MW Floating Solar project will be financed by NSPCL through internal resources and no equity contribution from promoters is required.**

THDCIL:

- ✓ **THDC Khurja Asset Transfer:**
 - Meeting held under the Chairmanship of Secretary (Power) on 08.12.2025 regarding transfer of Khurja STPP and Amelia Coal Mine from THDCIL to Meja Urja Nigam Pvt. Ltd. (MUNPL). In the meeting the issue related to the ongoing Supreme Court case filed by the State of Uttarakhand against the Union of India in 2012, concerning transfer of THDC shareholding to Uttarakhand, was deliberated. ACS(UP) apprised that the issue will be discussed internally, and response will be provided within a month. Legal opinion in the matter received on 02.02.2026 from Shri Sanjay Jain, Senior Advocate.
 - The issue concerning UP's reply was discussed in the meeting chaired by AS (Thermal) on 06.02.2026, wherein it was decided that MoP will convene a meeting with GoUP for further discussions in line with the meeting held on 08.12.2026. **Meeting which was scheduled for 06.05.2026 is again postponed.**

MUNPL:

- ✓ **Signing of SJVA-III between NTPC and UPRVUNL is presently awaiting final approval from the Government of Uttar Pradesh.** It is learnt that the proposal for investment approval of Meja-II (3x800 MW) along with SJVA-III was placed before the State Expert Appraisal Committee of UP for review and that the Committee has recommended the removal of the 50% manpower deployment clause from the draft SJVA-III (as modified unilaterally by UPRVUNL). The matter was further deliberated in the UP-Energy Task Force (ETF) meeting on 27.04.2026, chaired by the Chief Secretary, Uttar Pradesh. The proposal is expected to be placed before the UP Cabinet for final approval in due course.

BRBCL:

- ✓ **Capacity Expansion:** Indian Railways (IR) had initially (21.02.2025) accorded consent for expansion units of 2x250 MW at BRBCL. However, based on IR request to optimize Project Cost and Power Tariff, NTPC's consent for project expansion for higher capacity (1X800 MW) sent on 09.05.2025.
- ✓ Letter dated 23.09.2025 sent to IR to expedite signing of PPA for the proposed 1X800 MW unit.

SNAPSHOT OF BUSINESS DEVELOPMENT ACTIVITIES

[Weekly BD Report 05.05.2026 to 11.05.2026]

- ✓ IR vide letter dated 23.10.2025 has informed regarding offtake of 90% power from 1X800 MW unit of BRBCL.
- ✓ Comments from Legal received. Revised draft Supplementary JVA (SJVA) amendment shared with BRBCL on 23.02.2026 for getting IR comments before management approval.
- ✓ As informed by BRBCL on 27.02.2026, draft pre-feasibility report for the new unit has been shared by NTPC Consultancy. **BRBCL has informed on 07.05.2026 that at present following Pre-feasibility studies are in progress: Watershed Development Study, Ground Penetration Report (GPR) Survey and Biodiversity Analysis Study. After finalization of Pre-feasibility report, same shall be put up for BRBCL Board approval.**

TELK:

- ✓ Discussion held with Principal Secretary, Industries GoK on 12.11.2025 for Exit from TELK.
- ✓ MoM of the meeting held on 12.11.2025 issued wherein the way forward for Auditing is discussed and GoK has requested NTPC for bearing the cost of consultant for valuation.
- ✓ Letter dtd 28.11.2025 received from Principal Secretary – Industries, GoK mentioning that proposal to appoint a mutually agreeable consultant for exit of NTPC is acceptable subject to MD of TELK being held by a representative of Kerala while the Chairman to be nominated by NTPC Ltd (Presently, MD (Sh Neeraj Mittal) appointed by NTPC and Chairman (Adv P C Joseph) from GoK-as per Share Holders Agreement).
- ✓ Letter dt. 08.01.2026 sent to TELK for taking up with GoK for appointment of PwC as mutually agreed Consultant but no reply received.

NTECL

- ✓ **PSP by NTECL:** Upper Bhavani 1000 MW PSP has been allotted to NTECL for execution by Govt of Tamil Naidu.
- ✓ Subsequent to trifurcation of TANGEDCO, Supplementary Joint Venture Agreement (SJVA) is to be signed with TANGEDCO successor.
- ✓ Meanwhile, TNGECL (Tamil Nadu Green Energy Corporation Limited) has indicated their willingness to sign SJVA as third equity partner towards implementation of Upper Bhavani in NTECL, without changing the overall equity participation 50:50.
- ✓ Letter dtd 07.01.2026 sent to MD-TNGECL requesting them to submit a detailed proposal outlining their proposed role along with proposed organizational structure.
- ✓ Meeting held with TNGECL on 03.02.2026 with respect to SJVA of Upper Bhavani. TNGECL has shared their proposal. Execution of SJVA for NTECL followed up with JV partner vide email dated 23.02. 2026.TNGECL vide email dated 09.03.2026, requested NTPC remarks on its proposal.
- ✓ **Matter discussed with CEO(NTECL) on 11.05.2026 for signing of SJVA. CEO(NTECL) conveyed that matter will be suitably taken up with Govt. of Tamil Nadu.**

NBPPL:

- ✓ Considering NBPPL's immediate fund requirement of ~ Rs. 130 Cr, NTPC (04.12.2025) requested NBPPL to obtain BHEL's confirmation for release of its proportionate share. Accordingly, NBPPL (05.12.2025 and 09.02.2026) sought BHEL's confirmation.
- ✓ BHEL (10.02.2026) highlighted its outstanding receivables from NBPPL and requested NTPC to release outstanding payment of Rs. 111 Cr related to Unchahar project to NBPPL. NTPC responded on 20.02.2026, BHEL reiterated its position on 23.02.2026. NTPC reply sent on 11.03.2026.
- ✓ **On NBPPL's request dated 18.04.2026, NTPC nominated Shri Asutosh Biswas, GM (O&M), Unchahar on 05.05.2026 for a committee to review an employee appeal against**

SNAPSHOT OF BUSINESS DEVELOPMENT ACTIVITIES

[Weekly BD Report 05.05.2026 to 11.05.2026]

the Disciplinary Authority penalty order regarding billing discrepancies in the Unchahar Main Plant Civil Package.

AMRCD proceedings against BHEL

- ✓ Dispute Notice issued to BHEL on 27.11.2025 for unresolved issues of NBPPL under Clause 17 (Dispute Resolution and Arbitration) of JVA.
- ✓ BHEL (12.12.2025) sought equal sharing of NBPPL liabilities excluding Unchahar, and release of outstanding payment of Rs. 111 Cr (Unchahar) by NTPC; NTPC replied on 28.01.2026. BHEL (25.02.2026) reiterated its stance citing Unchahar revenues and EPC contract amendment; NTPC responded on 11.03.2026.
- ✓ NTPC on 23.03.2026 requested MoP to refer the dispute with BHEL to the First Tier of AMRCD.
- ✓ During AS(Thermal) review on 15.04.2026, MoP proposed a joint meeting at Ministry level to facilitate resolution of the NBPPL issues.
- ✓ MoP, vide letter dated 20.04.2026, requested NTPC to explore, once more, additional avenues for amicable resolution of the issues with BHEL at appropriate levels. **Accordingly, NTPC, vide letter dated 05.05.2026, requested BHEL for an Apex-level meeting.**
- ✓ In a meeting held on 29.04.2026, under the chairmanship of JS (Thermal), NTPC made a presentation on issues related to NBPPL. JS (Thermal) advised NTPC and BHEL to (i) once again explore possibilities of engagement of NBPPL employees, (ii) take up infusion of funds (Rs. 130 Cr) in NBPPL as immediate financial assistance, and (iii) reconcile and settle liabilities of NBPPL. **Draft Board Note for approval for infusion of Rs. 65 Cr in NBPPL is prepared and under review.**

Delhi High Court (HC) Case: NBPPL vs BTL EPC Ltd.

- ✓ BTL filed execution petition; HC (28.07.2025) directed NBPPL to deposit Rs. 17.83 Cr or file assets list by 02.09.2025. NBPPL filed list of assets on 08.11.2025.
- ✓ BTL (15.10.2025) sought impleadment of shareholders; NTPC filed reply on 09.12.2025.
- ✓ Matter heard on 24.03.2026 by Hon'ble HC Justice Sh. Harish Vaidyanathan Shankar. BTL contended that corporate veil of NBPPL should be lifted in view of its weak financial position. However, the Court was not persuaded, observing that no legal basis had been furnished in support of the request. The Court directed that all applications in the matter shall be taken up on the next date of hearing, i.e., 06.08.2026.

EESL:

Debt Condition

- ✓ EESL is in financial distress due to large outstanding dues of Rs. 3830 Cr., excluding Delayed Payment Surcharge. as on 28.02.2026. EESL has managed to service its debt obligations till Feb'26.

Divestment of stake in M/s Intellismart (IIPL)

- ✓ Pursuant to approval in EESL Board, in its 174th meeting on 03.12.2025, regarding joint stake sale in IIPL. NIIF has engaged M/s Deloitte for initiating stake sale process, M/s PwC for financial and commercial due diligence, and M/s TT&A for legal due diligence. Non-Disclosure Agreements (NDAs) were executed with prospective investors (PIs) and the Information Memorandum, along with the Financial Model, has been shared.
- ✓ Non-binding offers have been received from the PIs and are currently under assessment.

Impairment Testing

- ✓ As per requirement of NTPC Finance by email dated 11.03.2026 requested Impairment testing of EESL through external agency by 31.03.2026 and subsequent approval obtained, M/s Proxcel was engaged for impairment testing of EESL and draft report has been received on 30.03.2026.
- ✓ Final report submitted by M/s Proxcel on 25.04.2026, with 69.8 cr impairment

SNAPSHOT OF BUSINESS DEVELOPMENT ACTIVITIES

[Weekly BD Report 05.05.2026 to 11.05.2026]

ASHVINI:

- ✓ On 15.10.2025, the Department of Atomic Energy (DAE) granted approval for transfer of MBRAPP project from NPCIL to ASHVINI at book value.
- ✓ ASHVINI Board approved the draft ATA in its meeting held on 06.01.2026 and the ATA signed on 12.01.2026. Accordingly, consideration amount of Rs. 766.25 Cr has been transferred by ASHVINI to NPCIL on 12.02.2026.
- ✓ Upon receipt of land NOC from NPCIL, ASHVINI applied on 18.02.2026 to the Revenue Department (through the District Collector) for change of land title registration.
- ✓ ASHVINI, vide letter dated 14.01.2026, requested NTPC for equity release of Rs. 392 Cr through Rights Offer, which was released on 29.01.2026 after approval of the Competent Authority.

B. Asset Monetization

THDC	-	-	-	1,000	-	1,000	Listing of THDC
NEEPCO	-	-	-	1,000	-	1,000	Listing of NEEPCO

C. Other Avenues

Exploring Partnership with GMDC & GUVNL:

- ✓ Post signing of MoUs with GMDC for coal supply and coal/lignite gasification, a draft FSA was shared with GMDC on 19.03.2026 for review, response awaited.
- ✓ A draft MoU was shared with GUVNL on 04.02.2026 with incorporation of cost of power, based on GMDC provided ex-mine coal price. GUVNL has sought clarifications on certain points vide email dated 16.03.2026. Inputs from NTPC Engineering team for submission of the reply to GUVNL are awaited.

Exploring Opportunities in Himachal Pradesh State Power Distribution Sector:

- ✓ Business opportunities in the Himachal Pradesh state power distribution sector are currently being explored with a focus on improving the States power distribution infrastructure.
- ✓ Meeting with the Chairman (HPSEBL) held on 17.12.2025, HPSEBL requested NTPC to install Battery Energy Storage Systems (BESS) at its substations at Baddi industrial area. Accordingly, site visit was done at three substations in Baddi, Himachal Pradesh, for preliminary assessment of BESS on 17.12.2025.
- ✓ Letter received from HPSEBL on 25.02.2026 wherein they have asked for further data to enable approval of the proposal. Reply sent to HPSEBL with revised pre-feasibility report on 13.03.2026. The meeting with the HPSEBL Director (Tech) held on 31.03.2026 to discuss and expediated the

SNAPSHOT OF BUSINESS DEVELOPMENT ACTIVITIES

[Weekly BD Report 05.05.2026 to 11.05.2026]

NTPC proposal. Letter from Chief Engineer, HPSEBL, for detailed discussions received as per email dated 28.04.2026, sent to NGEL.

- ✓ **Meeting done with Chief Engineer on 11.05.2026 to brief the study undertaken by NGEL and the subsequent proposal.**

Exploring Opportunities in BIHAR State Power Distribution Sector:

- ✓ Business opportunities in the Bihar state power distribution sector are currently being explored with a focus on improving the States power distribution infrastructure.
- ✓ A meeting with the Directors of NBPDC and SBPDC, along with other senior officials, was held on 23/24 December, and the MoM received on 29.12.2025.
- ✓ SBPDC and NBPDC will review NTPC's proposal and convey them for further action within 2 weeks. A reminder email has been sent to NBPDC and SBPDC on 16.01.2026, 09.02.2026.
- ✓ As discussed with the DISCOM officials on 11.03.2026 and 13.03.2026, the approval file for further actions at SBPDC is under approval, and the reply from NBPDC is still awaited
- ✓ In the meeting held on 04.05.2026 between CMD sir and Secretary (Energy) Bihar, the issue of approvals for DISCOM works was discussed. Secretary (Energy) assured that the approvals will be accorded shortly regarding construction of new sub stations and renovation of existing sub stations. In the meeting it was discussed to execute the work on priority, the same has also been conveyed to the Consultancy Group on 04.05.2026. **Reply from DISCOMs awaited.**

Potential Investment in M/s Delectrik Systems Pvt Ltd:

- ✓ Proposal for potential investment in M/s Delectrik Systems Pvt Ltd through BD budget approved in-principle by NTPC Board.
- ✓ PwC has been appointed as consultant for valuation and due diligence. Management guidance has been received during review meetings on 02.03.2026, 31.03.2026 and 06.04.2026.
- ✓ Due-diligence Committee report approved
- ✓ **POSC approval note initiated on 09.05.2026 and is under approval.**

Exploring Opportunities in Nuclear Energy Business:

Joint Venture with Assystem International, France:

- ✓ Signing of MoU is pending due to clearance awaited from DAE & MEA since October 2025. Nuclear cell is following up the matter.
- ✓ Draft JVA for Engineering and Project Management services in Nuclear Energy is under discussion.
- ✓ In an internal meeting held on 05.03.2026, the JVA was reviewed in line with the Apex level decision on 26.02.2026 regarding revised shareholding pattern (NTPC-49%, Assystem-51%). The draft was finalized internally on 11.03.2026 and the revised version was shared by nuclear cell with Assystem on 12.03.2026.
- ✓ Upon receipt of comments from Assystem on 23.03.2026, an ED level meeting was held on 27.03.2026 to resolve the issues raised by Assystem.
